GATE FEES

All spectator fees are **per session** and are **CASH ONLY**. Please come prepared for this.

We will be holding folks outside the hall until the previous session is completely finished so that everyone can have a good view of their athletes. If you are planning to come very early please be aware of this. If you really don't want to wait outside the hall you can purchase an All Weekend Pass and entire the hall for any session.

Adults \$25 Session \$35 All Weekend

Children 2-12 Years Old \$10 Session \$15 All Weekend

Seniors & Military, Police, Fire w/ ID \$15 Session, \$25 All Weekend

ATHLETE CHECK IN

Athletes do not need to check-in for the event. They can go directly into the venue through the main entrance.

If you would like them to wait with you until we let you in, they can. They will not miss their open warm-up waiting with you. If you would like to send them in ahead they can hang out in the spectator area until the session before is completely completed. Athletes will not be allowed on the competition floor until the previous session is complete. Athletes are not required to purchase spectator passes as long as they are wearing their team comp warm-ups.

SPECTATOR CHECK IN

Spectators will check in at the sign that says Parent Check-In. Upon purchasing their entry parents will be given a color coded wristband for their designated session.

***** IMPORTANT***** To ensure a positive viewing experience for those parents whose children are still competing, only those people with wristbands for the current session or All Weekend passes will be allowed into the competition area. **NO** spectators for the following session will be allowed inside the competition area until the **previous session has 100% completed** and we've had a chance to clean up around the spectator area.

Please be courteous to our security staff as they enforce this. We are doing this so each one of you can get a good view of your loved ones as they compete. If you are planning to come early and really don't want to wait outside you may buy an All Weekend Pass and head straight in.

SPECTATOR VIEWING

Seating will be rotating. We will have spectator viewing in front of each event. Please rotate with your gymnast to allow yourself and everyone else the best views of their athletes. There will be no saving of seats when you move away from your event.

We have a designated Red floor, Black floor and Blue floor for the event. You will be able to identify which competition floor is yours based on the color of the curtains surrounding the competition floor. If your Session is designated R it is Red Floor, B is Blue Floor, K is Black Floor. So for example, Session 3K means you are the 3rd Session on the Black Competition Floor.

Please remember this event is supposed to be FUN!!! Your kids will probably be nervous. We strongly encourage you to cheer loudly and encourage your athlete to do their best. However, we expect everyone to act appropriately and maintain a positive environment for all of our competitors.

CONCESSIONS

Concessions and coffee will be offered in the lobby outside our competition hall and food will be at the concession stand inside the competition hall along the west wall. We will have a concession stand with sandwiches, salads, burgers, etc. There will also be a Boba company selling drinks and cotton candy.

EXTRAS

We will have some fun photo opportunities for the kids as they enter the venue. We have a XCel State step and repeat. We will have some 3D photo illusion backdrops. There will be a photographer booth offering some very cool pictures with silks. Please participate and enjoy. It is meant for the whole family. We just ask that you be respectful of the equipment so that it can last for everyone. **Please no shoes or drinks on the photo surfaces.**

AWARDS

When your athlete's competition session ends they will make their way out of the competition area and into our awards area. The awards areas are also designated black, red and blue with curtains. Athletes should sit up front on the floor in front of the stage and wait for the session to finish. We will have chairs behind them for spectators to watch awards.

We will be applying stickers to the medals. So please be patient as this does take a few minutes to get done after the session ends.

DINING & ENTERTAINMENT

The Los Angeles Convention Center is right next to the famous Crypto.com arena where the Lakers, Clippers and Kings play. It is also next to LA Live where you can find The Grammy's Museum, Lucky Strike Bowling, Regal LA Live and tons of great dining options like The Yard House, Fixins Soul Food Kitchen, Tom's Watch Bar, Fleming's and more. All of these are only about a 2 to 3 minute walk from the front door of the LACC.
